REMOVER
Foaming Spray Tan Remover

black
magic
Tan

200ml

Directions

For best results use on old spray tan that is more than 72 hours old.

Apply Black Magic Foaming Spray Tan Remover directly to dry skin and allow to sit on skin for up to 5 minutes.

Using a Black Magic Xfolate Mitt or Loofah dampen the mitt and start to gently exfoliate the areas where the Tan Remover was applied. This will create an emulsion and the product will gently lift the old spray tan. Once complete shower or bath off residue.

Warning

This product contains UREA. It does not contain a sunscreen. Do not use on skin that is irritated or on any open wounds.

Keep out of reach of Children. Should Poisoning Occur contact a medical practitioner or poisons hotline in your local area.

Follow all Instructions as directed.

Always do a patch test before first use, if irritation occurs discontinue use.
